Christmas Giving Tree

Grace Church is partnering with the Fairfax County Nurturing Parenting program to provide Christmas Gifts and other holiday necessities for needy families again this year. In most cases, this is the only way these children will receive gifts for Christmas.

The families have asked for grocery cards (Lidl, Aldi, Giant, etc.) and for gas cards so that they can get to work and provide for their families. And they would appreciate gift cards for Target or Walmart, or a VISA card, so that they have the dignity of purchasing gifts for their children or diapers for their babies.

We will be offering this opportunity in a "Hybrid" manner this year. You can take an "ornament" off the Angel Tree in the Narthex or purchase a gift card or 2 when you go shopping. If it is easier, please send a check or make a payment via easyTithe and mark it *Nurturing Parents*, and we will purchase gift cards for you. Please send your gift card or check to Grace by December 13th and we will deliver this blessing to Fairfax County Department of Family Services in time for the families to go shopping before the holidays. Questions? Contact Greta Miller at 703-967-6635.

Thank you.
